Borough's proposed affordable units and the adoption of required amended Zoning Ordinances for the 91 Rumson Road (Block 124, Lot 31) and 132 Bingham Avenue (Block 94, Lot 5) sites; and Paragraph 11 of the JOR Order having set a date of May 20, 2021 to continue the Compliance Hearing to ensure that all of the short-term conditions in Paragraph 9 of the JOR Order were satisfied by the Borough; and the Borough having properly noticed the continued Compliance Hearing; and Counsel for the Borough having prepared a Notice Certification (attached hereto as Exhibit P-20) to document that proper notice of the continued Compliance Hearing had been given; and two written objections having been filed, which were responded to in writing by the Borough; and the Borough, Fair Share Housing Center ("FSHC"), and Steven Firkser, Esq. on behalf objector Stuart Sendell having entered into a Consent Order to resolve the objections raised by Mr. Sendell and FSHC's questions regarding same; and said Consent Order having also been executed by the Court Master, and entered into by the Court on May 20, 2021 (attached hereto as Exhibit P-24); and the Court Master having submitted a report to the Court on May 20, 2021 (attached hereto as Exhibit P-23) regarding the satisfaction of the short-term conditions in Paragraph 9 of the JOR Order; and the continued Compliance Hearing having been held on May 20, 2021, during which Exhibits P-16 to P-24, which are attached hereto, were marked into evidence; and the Court having considered the report of the Court Master, the testimony taken during the continued Compliance Hearing, as well as the comments of counsel; and the Court having reviewed all of the documents submitted into evidence during the continued Compliance Hearing; and good cause having been shown;

It is hereby ordered on this 24th day of February, 2021, as follows:

1. Subject to the satisfaction of the conditions in Paragraph 9 of this Order, the Borough of Rumson's Fair Share Plan (Exhibit P-1) creates a realistic opportunity for the production of affordable housing and is hereby approved and the Borough is granted a Judgment of Compliance and Repose as to its Rehabilitation Share, its Prior Round Obligation (1987-1999), and its Third Round Obligation (1999-2025), pursuant to the Court approved Settlement Agreement entered into between the Borough and FSHC as amended, the Fair Housing Act (N.J.S.A. 52:27D-301, et. seq.) ("FHA"), the Uniform Housing Affordability Controls (N.J.A.C. 5:80-26.1, et seq.) ("UHAC"), applicable Council on Affordable Housing (hereinafter "COAH") substantive rules, and Mount Laurel case law, including the New Jersey Supreme Court's Mount Laurel IV decision.

2. The Court finds and determines pursuant to the judicial standards prescribed by the Appellate Division in East/West Venture v. Bor. Of Fort Lee, 286 N.J. Super. 311 (App. Div. 1996), and through analysis of the First Amendment to the FSHC Settlement Agreement (Exhibit P-5), dated December 15, 2020, entered into between the Borough and FSHC, that said Amendment is fair, reasonable, and adequately protects the interest of very-low, low- and

moderate-income households, and the Court hereby approves the First Amendment to the FSHC Settlement Agreement.

3. Subject to the satisfaction of the conditions in Paragraph 9 of this Order, the Borough's Judgment of Compliance and Repose shall remain in effect for ten (10) years beginning on July 2, 2015 and ending on July 2, 2025, and during this ten (10) year period the Borough shall have immunity from all Mount Laurel lawsuits, including, but not limited to, Builder's Remedy lawsuits, other than actions brought to enforce the terms of the FSHC Settlement Agreement as amended or the Court's orders. If the Conditions in Paragraph 9 are not satisfied by the date indicated in Paragraph 9 below, then the Borough's immunity can be extended for a time period as allowed for by the Court should an extension of the deadline be granted.

4. As per the Settlement Agreement between the Borough and FSHC as amended, the Borough's Rehabilitation Obligation is 29, the Borough's Prior Round Obligation (1987-1999) is 268 and the Borough's Gap (1999-2015) + Prospective Need (2015-2025) or Round 3 Obligation is 335.

5. The Borough will address its Rehabilitation Obligation of 29 by working with Community Grants Planning & Housing ("CGP&H") to run a local rehabilitation program to rehabilitate existing rental and ownership units in the Borough.

6. The Borough prepared a Vacant Land Analysis (Appendix A to the FSHC Settlement Agreement), and, as a result of that analysis, the Court found at the Fairness Hearing held in June and July of 2020, and its Order entered on July 29, 2020 (Exhibit P-7), that the Borough is entitled to a Vacant Land Adjustment such that it has combined Prior Round (1987-1999) and Round 3 (1999-2025) Realistic Development Potential (hereinafter "RDP") of 51, and a remaining portion of its combined Prior Round and Round 3 Obligations (hereinafter "unmet need") of 552.

7. The Borough will address its combined Prior Round (1987-1999) and Round 3 (1999-2025) RDP of 51 as follows:

8. The Borough will address its remaining combined Prior Round (1987-1999) and Round 3 (1999-2025) unmet need as follows:

- a. Faith Institution Overlay Zone: The Borough adopted an Ordinance (part of Exhibit P-2) that creates an affordable housing overlay zone that requires a twenty percent (20%) affordable housing set-aside over the Holy Cross Church (Block 104, Lot 1.01) at 6 du/acre, the First Presbyterian Church (Block 10, Lot 6) at 8 du/acre, Congregation B’Nai Israel (Block 81, Lot 6) at 6 du/acre.

- b. Downtown GB/NB/POB Overlay Zone: The Borough adopted an Ordinance (part of Exhibit P-2) that amended the existing overlay zone over the GB, NB, and POB zones to expand the GB zone, permit three-story mixed-use development and permit multi-family development at 12 du/acre, all with a twenty percent (20%) affordable housing set-aside requirement.
- c. R-2 Overlay Zone: The Borough adopted an Ordinance (part of Exhibit P-2) that creates an affordable housing overlay zone over certain parcels in the R-2 district that permits multi-family housing (townhouse, duplex, triplex, quads) at a density of 3 du/acre on a minimum lot size of 3 acres, but with an affordable housing set-aside equal to what would be required at a density of 6 du/acre. The Borough will subsidize the affordable units associated with a density that exceeds 3 du/acre or will allow a density of 6 du/acre if funding is not made available. The overlay zone requires a twenty percent (20%) affordable housing set-aside.
- d. R-4 Overlay Zone: The Borough adopted an Ordinance (part of Exhibit P-2) that creates an affordable housing overlay zone over certain parcels in the R-4 district that permits multi-family housing (townhouse, duplex, triplex, quads) at a density of 8 du/acre on a minimum lot size of 1 acre. The overlay zone requires a twenty percent (20%) affordable housing set-aside.
- e. R-5 Overlay Zone: The Borough adopted an Ordinance (part of Exhibit P-2) that creates an affordable housing overlay zone over certain parcels in the R-5 district that permits multi-family housing (townhouse, duplex, triplex, quads) at a density of 12 du/acre on a minimum lot size of 1 acre. The overlay zone requires a twenty percent (20%) affordable housing set-aside.
- f. 10 Accessory Apartment Units: The Borough will run an Accessory Apartment program to create up to 10 affordable Accessory Apartment units.
- g. Mandatory Set-Aside Ordinance (“MSO”): The Borough adopted a Borough-wide Mandatory Set-Aside Ordinance (“MSO”) (part of Exhibit P-2), which requires a twenty percent (20%) affordable housing set-aside for residential developments comprised of five (5) or more dwelling units for both rental and for-sale units.
- h. Development Fee Ordinance: The Borough will continue to collect residential and non-residential development fees under its newly adopted and updated Development Fee Ordinance (“DFO”) (part of Exhibit P-2).

9. On or before April 19, 2021, the following conditions in Attachment B in the Court Master’s February 8, 2021 report (attached hereto as Exhibit P-15) shall be addressed and resolved by the Borough, by which date the Borough shall submit a status update report along with all supporting certifications and documentation to the Court, the Court Master, FSHC, and

all interested parties. Said deadline can only be extended if the Borough, the Court Master, FSHC, and the Court agree to such an extension. The conditions to be satisfied in Attachment B of the Court Master's February 8, 2021 report (Exhibit P-15) are as follows:

- a. 19 North Street (Block 46, Lot 15): The Borough will ensure that an at least 30-year deed restriction is put in place for this constructed and occupied moderate-income 2-bedroom unit that is consistent with UHAC and that shall govern any resales. The deed restriction shall state that the Borough maintains the discretion to extend the affordability controls after at least 30 years.
- b. 16 Washington Street (Block 8, Lot 5): The Borough will ensure that an at least 30-year deed restriction is put in place for this constructed and occupied low-income 1-bedroom family rental unit that is consistent with UHAC. The deed restriction shall state that the Borough maintains the discretion to extend the affordability controls after at least 30 years. The Borough will provide a certification from its Administrative Agent with the following information:
 - i. If the current tenant in the unit is still the initial tenant (i.e., no turnover), then evidence shall be provided of affirmative marketing, and that the initial tenant was income/household eligible. A copy of the most recent lease demonstrating that that the initial tenant is still in the unit shall also be provided.
 - ii. If there has been turnover, the certification should set forth who lived in the unit and for what period of time, there should be documentation demonstrating that the unit was affirmatively marketed before each tenant was selected, as well as documentation demonstrating that each tenant was income/household eligible for the unit.
- c. 7 Lafayette Street (Block 8, Lot 4): The Borough will ensure that an at least 30-year deed restriction is put in place for both the constructed and occupied low-income 2-bedroom family rental unit, and the constructed and occupied moderate-income 3-bedroom family rental unit in this project that is consistent with UHAC. The deed restriction shall state that the Borough maintains the discretion to extend the affordability controls after at least 30 years. The Borough will provide a certification from its Administrative Agent with the following information:
 - i. If the current tenants in the units are still the initial tenants (i.e., no turnover), then evidence shall be provided of affirmative marketing, and that the initial tenants were income/household eligible. A copy of the most recent leases demonstrating that that the initial tenants are still in the units shall also be provided.
 - ii. If there has been turnover in either unit, the certification should set forth who lived in the unit and for what period of time, there should be

documentation demonstrating that the unit was affirmatively marketed before each tenant was selected, as well as documentation demonstrating that each tenant was income/household eligible for the unit.

- d. 68 Black Point Road (Block 54, Lot 5): It has been confirmed via the documentation submitted as part of Exhibits P-1 and P-11, and the testimony given during the combined Fairness and Compliance Hearing on February 9, 2021, that the constructed and occupied for-sale 3-bedroom unit located at 68 Black Point Road is a low-income unit. This unit is currently creditworthy, and no further documentation needs to be provided by the Borough.
- e. Carton Street Proposed Project (Block 59, Lot 10): The Borough will enter into and provide a Developer's Agreement with a developer for this 15-unit non-age-restricted 100% affordable (10 family rental units and 5 special needs units) project, along with a pro-forma and a construction schedule.
- f. 61 South Ward Proposed Project (Block 141, Lot 19): The Borough will enter into and provide a Developer's Agreement with a developer for this 2-unit family rental non-age-restricted 100% affordable project, along with a pro-forma and a construction schedule.
- g. 15 Maplewood Proposed Project (Block 50, Lot 7): The Borough will enter into and provide a Developer's Agreement with a developer for this 6-unit project (5 special needs units and 1 affordable rental non-age-restricted unit), along with a pro-forma and a construction schedule.
- h. 6 Maplewood Proposed Project (Block 51, Lot 17): The Borough entered into a Memorandum of Understanding ("MOU") with BCUW/Madeline Housing Partners, LLC ("BCUW") on February 2, 2021, which is attached hereto as Exhibit P-9, to have the 2-bedroom moderate-income non-age-restricted family unit renovated, deed restricted, and occupied by December 31, 2021. Therefore, the condition in the Court Master's report regarding this project has already been satisfied.
- i. Pursuant to the Settlement Agreement as amended between FSHC and the Borough, Rumson shall ensure and require that all of the affordable units at Carton Street, 61 South Ward, 15 Maplewood, 6 Maplewood, and produced via the market-to-affordable program and unmet need mechanisms be subject to deed restrictions consistent with UHAC and affordability controls of at least thirty (30) years from the date of initial occupancy, and the affordability controls shall remain unless and until the Borough, in its sole discretion, takes action following 30 years to extend or release the affordable unit from such controls.
- j. Pursuant to the Settlement Agreement as amended between FSHC and the Borough, Rumson shall provide written confirmation to the Court, Court Master, and FSHC by each date specified in the agreement as to whether the affordable units have been produced and ready for occupancy.

- k. All affordable units shall be affirmatively marketed consistent with UHAC and applicable law as well as the Settlement Agreement as amended, including posting of all affordable units on the online New Jersey Housing Resource Center website.
- l. 91 Rumson Road Project (Block 124, Lot 31): Ordinance 20-01D, which was adopted on December 15, 2020 to rezone the 91 Rumson Road site will be amended to ensure that the proposed project on this site can be adjusted from 16 to 14 total units as per the revised concept plan that was marked into evidence during the combined Fairness and Compliance Hearing as Exhibit YB-5. The Court finds that despite the changes in the revised concept plan, 91 Rumson Road, the property remains available, suitable, developable and approvable, as defined by COAH regulations, for inclusionary development. This Order also confirms that developer Yellow Brook submitted site plan applications and accompanying documents required by the Borough Ordinance and checklists to the Borough Planning Board for both the 91 Rumson Road project and the 132 Bingham Avenue project (Block 94, Lot 5) on February 4, 2021. The site plan submission letters and applications are attached hereto as Exhibits YB-3 and YB-4.
- m. 9 Market-to-Affordable Units: Although the implementation of the Borough's Market-to-Affordable Program is not part of Attachment B of the Court Master's report or subject to the April 19, 2021 deadline above, in accordance with the FSHC Settlement Agreement as amended, the Borough will produce nine (9) market-to-affordable units for families on properties to be identified and purchased by the Borough. At least five (5) of the nine (9) units shall be low-income units. No more than three (3) of the nine (9) units may be one-bedroom units. The Borough has agreed to provide five (5) units on or before July 1, 2022, and an additional four (4) units on or before July 1, 2024.

10. The Court further finds that, since the Carton Street property does not have to be dedicated to the Borough from Yellow Brook until Yellow Brook obtains unappealable, site plan approval with all conditions satisfied for Rumson Road and Bingham Avenue, as per the Section 5.2 of the Yellow Brook Settlement Agreement, the Borough will make all reasonable efforts to assist Yellow Brook with the processing of the Bingham Avenue and Rumson Road site plan applications.

11. The Court shall conduct a supplemental final Compliance Hearing on May 20, 2021, at 9:00 a.m., to determine whether the Borough met the conditions specified in Paragraph 9 above, and whether this Conditional Judgment of Compliance and Response should become a Final Judgment of Compliance and Repose.
