Motion seconded by Councilmember Casazza and carried on the following roll call vote:

In the affirmative: Conklin, Casazza, Kingsbery, Swikart, Pomphrey.

In the negative: None.

Absent: Lospinuso.

COMMENTS FROM THE COUNCIL:

Councilmember Pomphrey seconded Council President Conklin's comments earlier in the meeting about how lucky The Borough of Rumson is to have such incredible individuals in our emergency services.

COMMENTS FROM THE PUBLIC:

At this time, the Mayor invited the public to ask questions or make comments.

Nancy Herron of 34 Warren Street addressed Mayor Hemphill and Borough Council at this time. Herron began by thanking Mayor Hemphill and Borough Council for its concern following the discussion of increased noise conditions that she and her fellow residents shared at the June 2023 Borough Council Meeting. Herron continued by reading a log providing to her to read during open public comment by Dr. Ingrid Schweiger of 38 Warren Street. The log, dated June 18, 2023, noted loud music that can be heard from the neighbor's yard within the house during dinner, text message communication with the home owners asking that the music be turned down. Schweiger did not receive a response. The log that Herron was reading continued documenting a call to Rumson Police Department, with officers arriving around 6:00 PM, rolling down the police vehicle windows to listen, and driving away. When Rumson police dispatch was called back, the officer stated that the noise was not egregious from the front of the home. When asked if the officers would come to the back of the homes, they stated they would not do that, according to the log. The Rumson Police officer recommended that a complaint be filed in court. On behalf of 38 Warren Street, the question was asked: "is this an appropriate response to this type of request?"

Herron continued by referencing her own experiences, stating that when she was preparing to turn off the lights of her home in the evening, six to seven children jumped in the pool. After an hour, Herron stated that she went out on to the deck and asked the children to lower their conversations and eventually the gathering had ended around 11:30 p.m. This led to questions about the zoning laws for The Borough of Rumson and how they relate to existing home owners. Herron also shared her

concerns of worrying what each night will be like when she arrives home and if she will experience another noise filled evening based on the activities of the neighbors.

Herron stated she knows this will take time and hopes that Rumson Borough Council continues to work on the concerns she and her fellow neighbors have raised.

Mayor Hemphill responded stating that Borough Council has been and will continue to work on it. They are currently working on a plan on how to respond to and address the concerns raised by Herron and her fellow neighbors when it comes to the parameters on private property. Herron continued by stating she would love the opportunity to meet with The Rumson Chief of Police, as well as the neighbors, in person. With the difficulty of measuring noise, Councilmember Casazza recommended a decimal reader in order to provide information when having these discussions while Mayor and Borough Council continue to research the issue.

Stuart Sendell of 7D Lafayette Street spoke at this time. He began by honoring the new Rumson Police Chief Jeffery Nixon. Mr. Sendell stated that he and Chief Nixon had a conversation, adding that more police information will be shared with Patch News so that the residents can see what is happening in The Borough each month. Sendell also shared that he learned of additional graffiti incidents, five to six more in total, most of which were found in Victory Park. In addition, Mr. Sendell questioned if these incidents and the increase of underage drinking in the community are connected. Mr. Sendell noted the new Borough of Rumson website stating that the calendar does not include the Borough Council workshop sessions.

Joe LaCosta of 52 Carton Street spoke at this time. LaCosta requested a copy of the Ordinance that was introduced during this meeting. LaCosta shared is support for The Borough's efforts to reduce parking congestion on Carton Street. LaCosta mentioned a current application on the agenda of the Zoning Board for Val's Tavern that he is concerned about. While Tom Rogers shared the procedure of requesting an Ordinance, a copy was provided to Mr. LaCosta.

Anthony Furino of 58 Carton Street spoke at this time. Furino shared his appreciation for Mayor and Council's effort to resolve the issue of parking on Carton Street. Furino stated that the conditions are getting more and more dangerous on Carton Street, affecting the quality of life. Furino stated that the concerns are to make things safe for the Carton Street residents and young drivers from the high school, including his own daughter. Furino continued by stating that he utilizes his trash can to block of his driveway for parallel parking. He wanted to express his appreciation again for everything The Borough is doing.

Council President Conklin stated at this time that Mayor and Council will work with The Borough Administrator to work on adding additional lighting to Carton Street. Tom Rogers also explained the difference between Mayor and Council and Rumson Zoning Board, stating that the two do not influence each other. Rogers concluded by stating the importance of residents for attending Zoning Board meetings and stating their opinion.

ADJOURNMENT:

Councilmember Pomphrey made a motion to adjourn the meeting which was seconded by Councilmember Casazza. The meeting adjourned at 8:20 p.m. All in favor.

Thomas S. Rogers
Municipal Clerk/Administrator

Respectfully submitted,
