The setup, production and breakdown required by all filming shall be included in the hours as set forth herein.

§ 4.10.5. REFUSAL TO ISSUE PERMIT; EMPLOYMENT OF PATROLMEN AND ELECTRICIAN.

- a. The Borough may refuse to issue a permit whenever it determines, on the basis of objective facts and after a review of the application by the Police Department and by other Borough agencies involved with the proposed filming site, that filming at the location and/or the time set forth in the application would violate any law or ordinance or would unreasonably interfere with the use and enjoyment of adjoining properties, unreasonably impede the free flow of vehicular or pedestrian traffic or otherwise endanger the public's health, safety or welfare.
- b. The Borough reserves the right to require one or more Borough police officer(s), Fire Department personnel or any such other specialized Borough officials to remain on-site during the times indicated on the permit, in situations where the production may impede the proper flow of traffic, or otherwise impact upon public safety. § 4.10.9. SPECIAL REGULATIONS FOR MAJOR MOTION PICTURES.

- a. With regards to filming being done on a major motion picture, and upon a favorable review of the factors set forth herein, the Borough may grant an exemption of the three consecutive filming day limit and/or the six total filming days within a calendar year limit.
- b. Any days that are necessary for setup and preparation of a major motion picture filming may, at the discretion of the Borough, be counted as a filming day where such setup is anticipated to involve one or more of the factors set forth in this chapter.
