GHOSTS ON THE COAST: HAUNTED RUMSON

Happy to announce that Greg Caggiano is partnering with RumsonAmerica250 to create a talk on "Haunted Rumson".

This means ghosts, haunted houses, cemeteries, true crime, and area legends. Featured will be 8–10 stories and locations, including a return to the 1877 J.P. Cooper Mansion on Hance Road that was filmed at last year.

Most will be entirely new material presented for the first time. You won't want to miss this!
